

PDCUC Lightning Protection Universal DC Clip

Features

- Only one part to stock and install
- Secures both solid round and tape conductors
- No tools needed for assembly
- Single action secures conductor
- Ratchet locking offers forgiving installation
- Fits in tight spaces
- Ideal for extreme temperature installations**

One Clip Fits All

The PDCUC Lightning Protection Universal Downconductor Clip from ERICO[®] is designed for use with bare and insulated solid round and tape conductors. The clip features an inconspicuous clear body, allowing it to blend in with any colour background and PVC insulation. Its unique design is ideal for tight spaces, such as in corners next to rectangular drain pipes, allowing this versatile clip to fit where other clips don't.

Fast and Easy to Use

- Installation is quick and easy
- No tools needed for assembly
- Ratchet locking offers forgiving, adjustable installation

Strong and Durable

- Material is UL[®]/IEC recognized for electrical equipment and outdoor applications
- 1,000 N pull-out load capability
- Offers a broad installation temperature range of -20°C to 120°C**
- Material's UV performance meets the UL 746C standard

** When using the adhesive base, recommended installation temperatures are limited to 15°C to 38°C.
